

First Quarter Newsletter

Boones Mill Elementary School Newsletter

October 2018

A Message from the Principal

I can't believe we are already at the end of the first nine weeks. Time has just flown by. On behalf of all of the faculty and staff here at Boones Mill Elementary, I want to thank families for your support during the beginning of our school year. Your involvement in your student's learning is a very critical part of their education.

Aside from learning everything to colors and shapes and letters to how sound is produced and travels and the major events and factors in the Civil War, our students have participated in YMCA swim lessons, created amazing pieces of art, learned musical beats and rhythms, worked on dictionary skills in library, developed important physical education skills and thought outside of the box in our new STEM lab. There has been a lot of learning every day here at Boones Mill, and there is even more to come!

As you review your student's progress with this first report card, please encourage them to keep up their great work. If you ever have any questions or concerns, please feel free to contact their teachers at any time. We all will work together, because "Hand in Hand, We All Learn"

Sincerely,
Mrs. Shaver, Principal

STEM LAB

Our STEM LAB is off to a fantastic start!

We have done some exciting activities including parachutes, water displacement activities, pom pom sling shots, rock formations, simple machines, density, pumpkin catapults and using patterns to design houses.

DONATIONS!!!!

We can always use donations to help support our STEM lab. Your trash is our treasure!

We welcome donations of :

- balloons
- rubber bands
- popsicle sticks
- tongue depressors
- masking tape
- plastic spoons
- pipe cleaners
- Lego boards.

SCHOOL LUNCHES

Did you know that you can quickly and easily set up an electronic account to make payments for your child and monitor their purchasing? You can also set up automatic payments whenever your child's lunch account balance is low. Visit MY SCHOOL BUCKS at

<https://www.myschoolbucks.com/> to set up your child's account.
