

HERE FOR CHILDREN & FAMILIES

DO YOU NEED AFTERSCHOOL CARE?

The Y Afterschool Program offers a safe and enriching program 4 days per week. Students work on distance learning, receive support in virtual programming lessons and activities, physical fitness, social emotional learning, and more! Healthy snacks are provided.

This letter is being sent to parents to gauge interest in continuing this program starting January 26, 2021. Whether the program will continue at your designated site in January will be determined by the amount of parents interested.

Please complete the Online survey by clicking [HERE](#)

We will also be running our regular GAP program on Wednesday at the Rocky Mount Y.

Registration information Will be provided once site availability is confirmed.

We follow all CDC, local health department and licensing guidelines and are working in partnership with our school system to follow health, safety, cleaning and PPE protocols.

Students should bring their chrome books, school work, water bottle, headphones or ear buds.
